Previously known as Bletchingley Amateur Dramatic Society we have been actively pursuing theatrical activities in the village for over 30 years.

As a society we make a point of enjoying what we do. Hopefully our audiences share this opinion!

We are always on the look out for new members and would welcome anyone interested in getting involved with acting, back stage production or simply helping.

As they say, previous experience is not necessary.

Interested? Contact John Dresser on 01883 345041.
